Staff Reports

Teacher Rep: Suzanne Mills

- Ideas that teachers are interested in: extra classroom supplies, field trip bussing, celebrations, outdoor classroom, ball diamond fixed, library (some money from book fair left),
- How would like to see money raised:
 - Don't want to be told and overwhelmed, especially at night,
 - evening events take away from classroom time as children get focused on them,
 - stick to big fundraisers not all of them, gets to be too much
 - no more than one event a month would be helpful
- want more communication with the teachers – ask and talk to them
- Teachers want to know how the money will be divided up – an amount per classroom/students that isn't for the whole school, What is a fair way to spend the money??,
- Don't want to fundraise for the sake of fundraising
- Looking into riser pricing and storage to use last years funds
- Events: breakdancing, soccer coming up (Mr. Ragetli), cross country, 3/4 & 5/6 class for
